VINTAGE APRIL 2007

GRAPE
-EXPECTATIONS-

Hi folks,

Welcome to e-GrapeVine – Vintage April 2007.

Happy Easter! Being a traditionally religious time of year for people of Christian faith, some Western countries go so far as to ban the sale of alcohol on Good Friday altogether. Yes, that's right - upon the stroke of midnight on the eve of Good Friday, pubs, clubs and drinking places go bone dry. Fortunately for us in Malaysia, we practice no such thing. After all, did not Jesus instruct his disciples at the Last Supper to drink the wine and eat the bread to commemorate him? So let's drink up and celebrate!

Cheers
The team at Grape Expectations
